DELEGATES

The annual conference boasts an average attendance of **400+ leading professionals** from across the world, including >>>

- Industry leaders and senior management from the private sector
- Government policy-makers (federal, territorial and provincial)
- Innovators and consulting firms
- Academics
- Communications and government relations professionals
- Young professionals and the next generation of marine engineers

WHY SPONSOR?

The Mari-Tech Conference has developed an extensive network of stakeholders, among the hundreds of organizations within Canada’s marine engineering community. It has earned a respected position as a neutral, non-governmental organization devoted to engaging the private sector, government and academia to provide insight and solutions for the most important issues concerning marine engineering in Canada.

The Mari-Tech’s Conference Partnership Program provides an innovative way for organizations and corporations to have a significant impact on 400+ leading professionals within Canada’s marine engineering community.

If you’re looking to reach the key players making a difference within the industry, Mari-Tech 2020 is the place for you!

Our partner benefits maximize organizational visibility to your target audience and provide exceptional on-site promotional opportunities. The following chart illustrates the impact of investing in Mari-Tech 2020.
